NOTE TO READERS

There are two electronic editions of this book. One is identical to the print edition and is available on various e-readers and platforms. The other is an enhanced edition that provides access to more web references, examples for further study, and interactive material that elucidates key ideas and concepts. The enhanced edition is available through Inkling.com. More details on the DICE model used in this book are available at either climatecasino.net or dicemodel.net.
